Das Shri Bhakta Charan

Will the Minister of HOUSING AND URBAN POVERTY ALLEVIATION be pleased to state:

(a) whether the Government has chalked out a plan to provide safe drinking water, power supply, sewage system and other civic amenities to the slum and resettlement colonies in the National Capital and other cities in the States;

(b) if so, the details thereof; and

(c) the number of slums and colonies provide these amenities in the NCT of Delhi and other States so far?

Answer

THE MINISTER OF HOUSING & URBAN POVERTY ALLEVIATION (KUMARI SELJA)

(a) & (b): The Government of India launched the Jawaharlal Nehru National Urban Renewal Mission (JNNURM) on 3rd December, 2005 to assist cities and towns in taking up housing and infrastructural facilities for the urban poor in 65 cities in the country under the Basic Services to the Urban Poor (BSUP) Programme. For non-Mission cities, for taking up housing and slum upgradation programmes, the Integrated Housing and Slum Development Programme (IHSDP) was launched with the objective to strive for holistic slum development, with a healthy and enabling environment by providing adequate shelter and basic infrastructure facilities to the slum dwellers. Admissible components of these projects are also water, supply, sewerage, drainage, community, toilets, baths etc.

(c): The state−wise details of BSUP & IHSDP projects including Delhi are annexed.
